

## REMARKS

Claims 1 -12 are currently pending in the present application. Claims 1 through 10 have been amended by this amendment and new claims 11 and 12 have been added. Basis for the amendments can be found throughout the specification, claims and drawings as originally filed. No new matter has been added. Applicant believes that the amended claims do not go beyond the disclosure of the application as filed. The purpose of this amendment is solely to remove multiple dependent claims to reduce filing costs and to place the application in conformance with U. S. practice. As such, they should not be considered as narrowing amendments.

In view of the above amendments, applicant believes the pending application is in condition for allowance.

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 08-0750, under Order No. 7347-000007/US/NP from which the undersigned is authorized to draw.
